St. Francis Community Welcomes Returning Catholics

They come from different walks of life. Some are younger, some more mature. Some are employed, some retired. They have one thing in common: *they have returned to the practice of their faith this summer.* Who are they? The participants in our "Come and See" program that is held each year during the Easter Season. Nine people this spring reconnected with their spiritual roots and with the community of St. Francis. We welcome them.

Perhaps you have been away too. We invite you to begin the process of reconnecting. Simply call Charline List at the parish offices at 821-2125. You will be treated with respect and confidentiality as we assist you on your journey back to the Church.
