## **Ways to Support our Catechists**

- ◆ Pray for catechists, parents, and all those who are dedicated to sharing the word of God with others.
- ◆ Consider ways in which you can become more fully involved in the catechetical work of the Church—if you are interested in working with children: consider volunteering as a catechist or aide, or children's liturgy leader, or serving on the religious education committee.
- ◆ Encourage catechists, perhaps sending a note of thanks if a parent or relative of a child in religious education, or by a kind word, a helping hand, or a willingness to listen.
