

**St. Francis of Assisi Parish Invited ALL Adults To...**

# *Quench Your Thirst with "Theology on Tap"*

**Another great summer session!**

This summer the Yazacht Club hosted a four week, Theology on Tap series. Our discussions ranged from health care for the uninsured, to little-known stories from the Bible, to faith journeys, to life as a police

chief and deacon. It was a great series!

Each week dozens of adults from St. Francis met at Conor O'Neill's Pub on Main Street to enjoy good food, good company, and great discussions.

We hope to see you all there next summer!
